Risk Consultancy

Technical Surveillance

WHO WE ARE

VictorSquad Pvt. Ltd. is a full-spectrum security solutions organisation forged on the principles of the Indian Army — discipline, integrity, preparedness, and mission-first execution.

We provide strategic security solutions for corporates, institutions, industrial facilities, events, high-net-worth individuals, and critical operations environments.

Our approach combines:

Elite trained manpower

Military-grade operational systems

Strategic risk intelligence

Technology-driven surveillance ecosystems

Every deployment is engineered to proactively prevent threats, minimise vulnerabilities, and ensure complete operational confidence.

WHY ORGANISATIONS TRUST VICTORSQUAD

Military-Grade Discipline

Structured operations with zero tolerance for negligence.

Veteran Leadership

Led by decorated Army officers with real-world command experience.

Elite Recruitment

Rigorously screened and professionally trained personnel.

Continuous Training

Operational readiness maintained through ongoing drills and evaluations.

Integrated Security Solutions

Combining manpower, consultancy, and technology into one seamless system.

Rapid Response Capability

Prepared to react decisively in high-pressure environments.

OUR CORE PILLARS

SECURITY

Protection-first approach in every deployment.

SAFETY

Zero compromise on operational safety.

DISCIPLINE

Professional conduct backed by military standards.

INTEGRITY

Transparent operations and accountability.

Technology-driven protection systems engineered for modern security environments.

Solutions Include

- CCTV Surveillance Systems
- Smart Access Control
- Intrusion Detection Systems
- Alarm & Alert Systems
- Command & Control Centers

COMMANDED BY VETERANS

Col Siddharth D. Deshmukh (Retd)

Director - Strategy & Operations

A seasoned Infantry Officer with extensive operational experience across India and abroad, including commanding an Assam Rifles Battalion in active insurgency environments in Northeast India.

His expertise in leadership, training, crisis response and operational management strengthens VictorSquad's culture of discipline, preparedness and trust.

Col Rohan Lewis (Retd)

Director - Operations & Training

A 25-year Army veteran who served with NSG's elite 51 Special Action Group, India's premier counter-terrorist force. Cross-trained with GIGN, GSG 9, and Yamam. Architected the security framework for the 2010 Commonwealth Games and helped raise Force One and CoBRA. Led close protection for Presidents Obama, Putin, and Sarkozy. Also led extreme-altitude operations at Galwan and Siachen.

DON'T LEAVE SECURITY TO CHANCE

Get a customised security assessment from professionals trained to operate in real-world high-risk environments.

Fast. Reliable. Battle-Tested.
